Mr. Anthony T. Pascoe  
93 Brinkman Ave.  
Buffalo N.Y.

Dear Sir:

I have received letters from you, asking about The Eagles coming to Buffalo to play ball.

I notice on the schedule there are several dates we could possibly come and bring a team with us. It will be necessary to find out what your terms and guarantees are. We will have to use the train, and this is very expensive as you know.

Please let me know by return mail what you offer for a guarantee in case it rains, and if we play.

Very Truly Yours
